

COURSE OVERVIEW PM0176-1D
Project Management

Course Title
Project Management

Course Reference
PM0176-1D

Course Duration/Credits
One day/0.6 CEUs/06 PDHs

Course Date/Venue

Session(s)	Date	Venue
1	May 21, 2026	Glasshouse Meeting Room, Grand Millennium Al Wahda Hotel, Abu Dhabi, UAE
2	September 17, 2026	

Course Description

This practical and highly-interactive course includes various practical sessions and exercises. Theory learnt will be applied using our software tools.

This course is designed to provide participants with a detailed and up-to-date overview of Project Management. It covers the project management, project life cycle and project management methodologies; the project initiation and stakeholder management covering business case and project justification, project objectives, stakeholder identification and stakeholder engagement strategies; and the project scope, work breakdown structure (WBS), schedule planning and resource planning.

During this interactive course, participants will learn the risk identification, risk analysis, risk response planning and quality management; the project team, effective communication and monitoring; and managing change, project closure process and performance evaluation.

Course Objectives

Upon the successful completion of this course, each participant will be able to:-

- Apply and gain a good working knowledge on project management
- Discuss project management, project life cycle and project management methodologies
- Carryout project initiation and stakeholder management covering business case and project justification, defining project objectives, stakeholder identification and stakeholder engagement strategies
- Define project scope and apply work breakdown structure (WBS), schedule planning and resource planning
- Apply risk identification, risk analysis, risk response planning and quality management
- Lead the project team and apply effective communication, monitoring and managing change
- Carryout project closure process and performance evaluation

Exclusive Smart Training Kit - H-STK®

Participants of this course will receive the exclusive “Haward Smart Training Kit” (H-STK®). The H-STK® consists of a comprehensive set of technical content which includes **electronic version** of the course materials conveniently saved in a **Tablet PC**.

Who Should Attend

This course provides an overview of all significant aspects and considerations of project management for project managers, team leads and supervisors, business analysts and coordinators, department heads and executives, project support staff (coordinators and administrators) and other technical staff.

Course Fee

US\$ 1,750 per Delegate + **VAT**. This rate includes H-STK® (Haward Smart Training Kit), buffet lunch, coffee/tea on arrival, morning & afternoon of each day.

Training Methodology

All our Courses are including **Hands-on Practical Sessions** using equipment, State-of-the-Art Simulators, Drawings, Case Studies, Videos and Exercises. The courses include the following training methodologies as a percentage of the total tuition hours:-

- 30% Lectures
- 20% Practical Workshops & Work Presentations
- 30% Hands-on Practical Exercises & Case Studies
- 20% Simulators (Hardware & Software) & Videos

In an unlikely event, the course instructor may modify the above training methodology before or during the course for technical reasons.

Course Certificate(s)

Internationally recognized certificates will be issued to all participants of the course who completed a minimum of 80% of the total tuition hours.

Certificate Accreditations

Haward's certificates are accredited by the following international accreditation organizations: -

- 

British Accreditation Council (BAC)
Haward Technology is accredited by the **British Accreditation Council for Independent Further and Higher Education** as an **International Centre**. Haward's certificates are internationally recognized and accredited by the British Accreditation Council (BAC). BAC is the British accrediting body responsible for setting standards within independent further and higher education sector in the UK and overseas. As a BAC-accredited international centre, Haward Technology meets all of the international higher education criteria and standards set by BAC.
- 

The International Accreditors for Continuing Education and Training (IACET - USA)

Haward Technology is an Authorized Training Provider by the International Accreditors for Continuing Education and Training (IACET), 2201 Cooperative Way, Suite 600, Herndon, VA 20171, USA. In obtaining this authority, Haward Technology has demonstrated that it complies with the **ANSI/IACET 2018-1 Standard** which is widely recognized as the standard of good practice internationally. As a result of our Authorized Provider membership status, Haward Technology is authorized to offer IACET CEUs for its programs that qualify under the **ANSI/IACET 2018-1 Standard**.

Haward Technology's courses meet the professional certification and continuing education requirements for participants seeking **Continuing Education Units (CEUs)** in accordance with the rules & regulations of the International Accreditors for Continuing Education & Training (IACET). IACET is an international authority that evaluates programs according to strict, research-based criteria and guidelines. The CEU is an internationally accepted uniform unit of measurement in qualified courses of continuing education.

Haward Technology Middle East will award **0.6 CEUs** (Continuing Education Units) or **06 PDHs** (Professional Development Hours) for participants who completed the total tuition hours of this program. One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of the participation in and completion of Haward Technology programs. A permanent record of a participant's involvement and awarding of CEU will be maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.

Accommodation

Accommodation is not included in the course fees. However, any accommodation required can be arranged at the time of booking.
