Haward Technology Middle East

COURSE OVERVIEW SS0430
Communication Skill

Course Title
Communication Skill

Course Date/Venue
Session 1: October 20-24, 2024/Boardroom 1, Elite Byblos Hotel Al Barsha, Sheikh Zayed Road, Dubai, UAE
Session 2: December 15-19, 2024/Musandam Meeting Room, Royal Tulip Muscat, Oman

Course Reference
SS0430

Course Duration/Credits
Five days/3.0 CEUs/30 PDHs

Course Description

80% of this course is practical sessions where participants will be engaged in a series of interactive small groups, class workshops and role-plays.

In today's fast-paced business environment, daily schedules often include numerous meetings and communications in addition to more traditional individual project work. Strong communication skills help leverage such interactions into opportunities for building consensus and improving efficiency.

This course emphasizes specific tools and techniques for improving listening skills, delivering effective messages and bridging different communication styles. In extensive workshops, you develop the "communications agility" needed to handle interactions with people at varying levels across an organization.

Through intensive in-class workshops and simulations, participants work in small groups to apply communications tools and strategies, including:

- Profiling your communication style
- Assessing your relationship skills
- Creating value through communication
- Bridging the communication gap to reach communicators with other styles
- Reinforcing active listening with paraphrasing and other techniques
- Interpreting unspoken attitudes and behaviors in a group context
- Expressing clear messages

Course Objectives

Upon the successful completion of this course, each participant will be able to:-

- Apply and gain a comprehensive knowledge on communication skills

- Listen to the others and communicate effectively and in a manner that fosters open communication

- Acquire different communication skills needed to communicate effectively and efficiently in a professional work environment

- Identify and interpret different methods/styles of communication skills to build more productive working relationship

- Identify barriers to communication skills and strategies to overcome them

- Determine the various tools and techniques in getting your message across effectively

- Demonstrate active listening through non-verbal communication

- Improve the behavior of those who communicate and work with others

- Sharpen your communication skills to improve clarity and conciseness

- Pave the way for positive interactions

- Apply the Customer Service Paradigm to establish greater value for customers

- Read the "emotional content" accompanying messages

- Develop and maintain open channels of communication and improve ways in dealing with challenging conversations

- Anticipate and avoid common misunderstandings

- Build greater relationship skills that emphasize trust and respect

- Identify the roadblocks that undermine your ability to communicate effectively

Exclusive Smart Training Kit - H-STK®

*Participants of this course will receive the exclusive "Haward Smart Training Kit" (**H-STK®**). The **H-STK®** consists of a comprehensive set of technical content which includes **electronic version** of the course materials, sample video clips of the instructor's actual lectures & practical sessions during the course conveniently saved in a **Tablet PC**.*

Who Should Attend

This course provides an overview of all significant aspects and considerations of basic communication for those who need to deliver clear messages, staff whose job demands frequent communication with groups and those who want to strengthen their communication skill and enhance their ability to interact with others. Further, this course is also beneficial for all the department personnel.

Course Certificate(s)

Internationally recognized certificates will be issued to all participants of the course who completed a minimum of 80% of the total tuition hours.

Certificate Accreditations

Certificates are accredited by the following international accreditation organizations: -

- The International Accreditors for Continuing Education and Training (IACET - USA)

  Haward Technology is an Authorized Training Provider by the International Accreditors for Continuing Education and Training (IACET), 2201 Cooperative Way, Suite 600, Herndon, VA 20171, USA. In obtaining this authority, Haward Technology has demonstrated that it complies with the **ANSI/IACET 2018-1 Standard** which is widely recognized as the standard of good practice internationally. As a result of our Authorized Provider membership status, Haward Technology is authorized to offer IACET CEUs for its programs that qualify under the **ANSI/IACET 2018-1 Standard**.

  Haward Technology's courses meet the professional certification and continuing education requirements for participants seeking **Continuing Education Units** (CEUs) in accordance with the rules & regulations of the International Accreditors for Continuing Education & Training (IACET). IACET is an international authority that evaluates programs according to strict, research-based criteria and guidelines. The CEU is an internationally accepted uniform unit of measurement in qualified courses of continuing education.

  Haward Technology Middle East will award **3.0 CEUs** (Continuing Education Units) or **30 PDHs** (Professional Development Hours) for participants who completed the total tuition hours of this program. One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of the participation in and completion of Haward Technology programs. A permanent record of a participant's involvement and awarding of CEU will be maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.

- British Accreditation Council (BAC)

  Haward Technology is accredited by the **British Accreditation Council** for **Independent Further and Higher Education** as an **International Centre**. BAC is the British accrediting body responsible for setting standards within independent further and higher education sector in the UK and overseas. As a BAC-accredited international centre, Haward Technology meets all of the international higher education criteria and standards set by BAC.
