

COURSE OVERVIEW PM0508
Portfolio Management Professional (PMI-PfMP)
PMI Exam Preparation Training

Course Title

Portfolio Management Professional (PMI-PfMP):
PMI Exam Preparation Training

Course Date/Venue

Session 1: July 06-10, 2025/Meeting Plus 9,
City Centre Rotana, Doha, Qatar
Session 2: November 09-13, 2025/Tamra
Meeting Room, Al Bandar Rotana
Creek, Dubai, UAE

Course Reference

PM0508

Course Duration/Credits

Five days/3.5 CEUs/35 PDHs

Course Description

This practical and highly-interactive course includes various practical sessions and exercises. Theory learnt will be applied using the state-of-the-art simulators.

This course is designed to provide participants with a detailed and up-to-date overview of Portfolio Management Professional (PfMP). It covers the relationships among portfolio management, organizational strategy, strategic business execution and organizational project management; the portfolio components and their interrelationships; the role of the portfolio manager and other roles in portfolio management; and the portfolio life cycle consisting of initiation, planning, execution, optimization, monitor and control.

Further, the course will also discuss the portfolio management information system (PMIS) and governance within the portfolio life cycle; the portfolio strategic management; developing portfolio strategic objectives; the strategic risk appetite, portfolio charter, portfolio roadmap, key portfolio components and portfolio optimization; the strategic alignment management, portfolio governance and effective portfolio governance design factors; the portfolio governance roles, portfolio capacity and capability management; and the supply and demand management and optimization.

During this interactive course, participants will learn the capability assessment and development; the performance reporting and analytics as well balance capacity and capability; the portfolio stakeholders' identification and analysis, stakeholder engagement planning and identifying communications management approaches; and the portfolio communications management, portfolio value management and portfolio risk management.

Course Objectives

Upon successful completion of this course, each participant will be able to:-

- Get prepared for the next PfMP exam and have enough knowledge and skills to pass such exam in order to get the Portfolio Management Professional (PfMP) certification from the Project Management Institute (PMI)
- Define portfolio and discuss the relationships among portfolio management, organizational strategy, strategic business execution and organizational project management
- Identify the portfolio components and their interrelationships as well as identify the role of the portfolio manager and other roles in portfolio management
- Illustrate portfolio life cycle consisting of initiation, planning, execution, optimization, monitor and control
- Discuss portfolio management information system (PMIS) and governance within the portfolio life cycle
- Carryout portfolio strategic management, develop portfolio strategic objectives and describe strategic risk appetite
- Explain portfolio charter, portfolio roadmap, key portfolio components and portfolio optimization
- Manage strategic alignment and discuss portfolio governance and the effective portfolio governance design factors
- Identify portfolio governance roles and apply portfolio capacity and capability management
- Carryout supply and demand management and optimization including capability assessment and development
- Apply performance reporting and analytics as well balance capacity and capability
- Employ portfolio stakeholders' identification and analysis, stakeholder engagement planning and identifying communications management approaches
- Apply portfolio communications management, portfolio value management and portfolio risk management

PMI Recognition of Haward Courses

The Project Management Institute (**PMI**) recognizes Haward's Certificates and Continuing Education Units (CEUs).

The recognition and acceptance of our PDUs/CEUs fall under Categories E, F and G of PMI's "Professional Education" section at the PMP Application. Hence, what the delegates simply need to do is to complete this section as part of the PMP Application and submit it to PMI upon the receipt of Haward's certificates and ANSI/IACET's CEUs. PMI will automatically accept the delegates with 35 Contract Honors as a fulfillment of the required Professional Education.

Haward Technology, being the first **Authorized Provider** of the International Association for Continuing Education & Training (**IACET-USA**) in the Middle East, is authorized to award ANSI/IACET **CEUs** that are automatically accepted and recognized by the Project Management Institute (**PMI**).

Exclusive Smart Training Kit - H-STK®

Participants of this course will receive the exclusive “Haward Smart Training Kit” (H-STK®). The H-STK® consists of a comprehensive set of technical content which includes **electronic version** of the course materials conveniently saved in a **Tablet PC**.

Who Should Attend

This course provides an overview of all significant aspects and considerations of portfolio management for executive or senior-level practitioner managing a portfolio of projects and programs aligned with organizational strategy and focused on doing the right work, then the PfMP is the right choice for you.

PfMP Eligibility Requirements

To be eligible for the PfMP certification, you must meet certain educational and professional experience requirements. All portfolio management experience must have been accrued over the last 15 consecutive years.

Educational Background	Professional Business Experience	Portfolio Management Experience
Secondary diploma (high school diploma, associate's degree or global equivalent)	Minimum 96 months (8 years) of professional business experience	Minimum 84 months (7 years) of unique non-overlapping professional portfolio management experience
OR		
Educational Background	Professional Business Experience	Portfolio Management Experience
Four-year degree (bachelor's degree, global equivalent or higher degree)	Minimum 96 months (8 years) of professional business experience.	Minimum 48 months (4 years) of unique non-overlapping professional portfolio management experience
OR

Certificate Accreditations

Certificates are accredited by the following international accreditation organizations: -

-  British Accreditation Council (BAC)

Haward Technology is accredited by the **British Accreditation Council** for **Independent Further and Higher Education** as an **International Centre**. BAC is the British accrediting body responsible for setting standards within independent further and higher education sector in the UK and overseas. As a BAC-accredited international centre, Haward Technology meets all of the international higher education criteria and standards set by BAC.

-  The International Accreditors for Continuing Education and Training (IACET- USA)

Haward Technology is an Authorized Training Provider by the International Accreditors for Continuing Education and Training (IACET), 2201 Cooperative Way, Suite 600, Herndon, VA 20171, USA. In obtaining this authority, Haward Technology has demonstrated that it complies with the **ANSI/IACET 2018-1 Standard** which is widely recognized as the standard of good practice internationally. As a result of our Authorized Provider membership status, Haward Technology is authorized to offer IACET CEUs for its programs that qualify under the **ANSI/IACET 2018-1 Standard**.

Haward Technology's courses meet the professional certification and continuing education requirements for participants seeking **Continuing Education Units** (CEUs) in accordance with the rules & regulations of the International Accreditors for Continuing Education & Training (IACET). IACET is an international authority that evaluates programs according to strict, research-based criteria and guidelines. The CEU is an internationally accepted uniform unit of measurement in qualified courses of continuing education.

Haward Technology Middle East will award **3.5 CEUs** (Continuing Education Units) or **35 PDHs** (Professional Development Hours) for participants who completed the total tuition hours of this program. One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of the participation in and completion of Haward Technology programs. A permanent record of a participant's involvement and awarding of CEU will be maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.

Accommodation

Accommodation is not included in the course fees. However, any accommodation required can be arranged at the time of booking.

1545 – 1600	Presentation of Course Certificates
1600	End of the Course

MOCK Exam

Upon the completion of the course, participants have to sit for a MOCK Examination similar to the exam of the Certification Body through Haward's Portal. Each participant will be given a username and password to log in Haward's Portal for the MOCK Exam during the 30 days following the course completion. Each participant has only one trial for the MOCK exam within this 30-day examination window. Hence, you have to prepare yourself very well before starting your MOCK exam as this exam is a simulation to the one of the Certification Body.

Book(s)

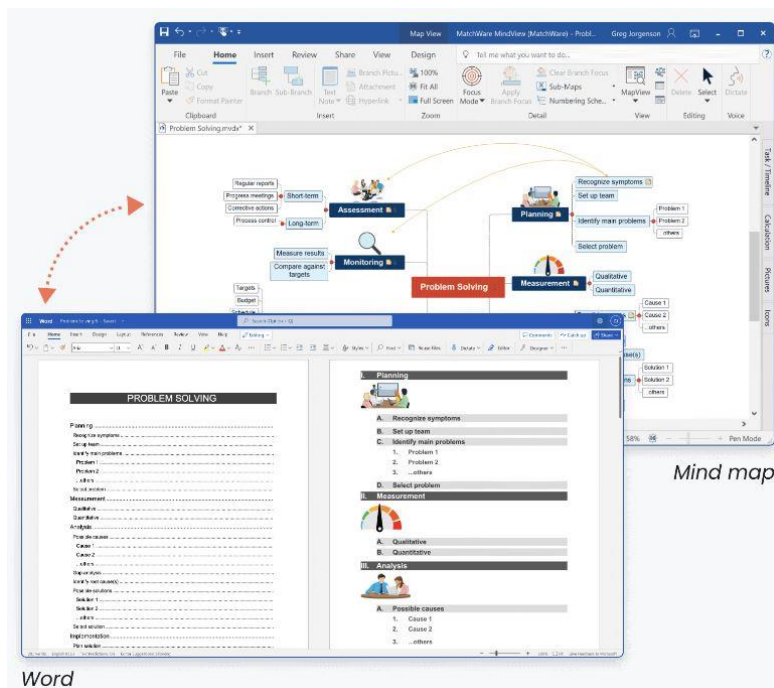

As part of the course kit, the following e-books will be given to all participants:-

Title: The Standard for Portfolio Management
ISBN: 978-1628251975
Author: Project Management Institute
Publisher: Project Management Institute

Simulator (Hands-on Practical Sessions)

Practical sessions will be organized during the course for delegates to practice the theory learnt. Delegates will be provided with an opportunity to carryout various exercises using the “Mindview Software” and “Raidlog Simulator”.
