

COURSE OVERVIEW SS1385

Executive Services & Protocol

Course Title

Executive Services & Protocol

Course Date/Venue

October 04-08, 2026/Online Virtual Training

Course Reference

SS1385

Course Duration/Credits

Five days/2.75 CEUs/27.5 PDHs

Course Description

This practical and highly-interactive course includes various practical sessions and exercises. Theory learnt will be applied using our software tools.

This course is designed to provide participants with a detailed and up-to-date overview of Executive Services and Protocol. It covers the executive services, fundamentals of protocol and professional ethics and confidentiality; the executive communication skills, time management and executive support, personal branding and professional image; the diplomatic and government protocol, order of precedence and executive office administration; the executive meetings, business etiquette and international cultural awareness; and the VIP management principles, official visits and delegation management, event planning and protocol.

During this interactive course, participants will learn the hospitality and guest relations, travel and logistics coordination and security awareness for executive services; the international protocol standards, ceremonial protocol and executive decision support; the crisis management in executive offices, digital executive services and leadership skills for executive professionals; and the strategic executive office management, high-level stakeholder management and developing standard operation procedures (SOPs).

By the end of this course, participants will understand international protocol standards, executive office management, VIP handling, diplomatic etiquette, official event management, communication excellence and executive support best practices.

Course Objectives/Outcomes & Benefits for the Participants

Upon the successful completion of this course, each participant will be able to:-

- Apply and gain an in-depth knowledge on executive services and protocol
- Discuss the executive services, fundamentals of protocol and professional ethics and confidentiality
- Carryout executive communication skills, time management and executive support as well as personal branding and professional image
- Implement diplomatic and government protocol, order of precedence and executive office administration
- Manage executive meetings and apply business etiquette and international cultural awareness
- Explain VIP management principles and apply official visits and delegation management as well as event planning and protocol
- Manage hospitality and guest relations, travel and logistics coordination and security awareness for executive services
- Recognize international protocol standards, ceremonial protocol and executive decision support
- Apply crisis management in executive offices, digital executive services and leadership skills for executive professionals
- Employ strategic executive office management, high-level stakeholder management and developing standard operation procedures (SOPs)

Who Should Attend

This course provides an overview of all significant aspects and considerations of executive services and protocol for executive assistants, executive officers, protocol officers, government and corporate administrative professionals, executive office managers and VIP coordinators.

Training Methodology

This interactive training course includes the following training methodologies as a percentage of the total tuition hours:-

30% Lectures

70% Practical Exercises, Case Studies, Games, Customized Videos, Site Visits, Simulations, Role Play, Group Skill Sessions, Outdoor & Indoor Activities

In an unlikely event, the course instructor may modify the above training methodology before or during the course for technical reasons.

Learning Design & Customization

This course can be customized to the exact requirements of clients. Haward Technology is so proud of our huge capabilities in tailoring our courses to the training needs of our valued clients.

Course Certificate(s)

Internationally recognized certificates will be issued to all participants of the course who completed a minimum of 80% of the total tuition hours.

Certificate Accreditations

Haward's certificates are accredited by the following international accreditation organizations: -

-  British Accreditation Council (BAC)
Haward Technology is accredited by the **British Accreditation Council** for **Independent Further and Higher Education** as an **International Centre**. Haward's certificates are internationally recognized and accredited by the British Accreditation Council (BAC). BAC is the British accrediting body responsible for setting standards within independent further and higher education sector in the UK and overseas. As a BAC-accredited international centre, Haward Technology meets all of the international higher education criteria and standards set by BAC.
-  The International Accreditors for Continuing Education and Training (IACET - USA)

Haward Technology is an Authorized Training Provider by the International Accreditors for Continuing Education and Training (IACET), 2201 Cooperative Way, Suite 600, Herndon, VA 20171, USA. In obtaining this authority, Haward Technology has demonstrated that it complies with the **ANSI/IACET 2018-1 Standard** which is widely recognized as the standard of good practice internationally. As a result of our Authorized Provider membership status, Haward Technology is authorized to offer IACET CEUs for its programs that qualify under the **ANSI/IACET 2018-1 Standard**.

Haward Technology's courses meet the professional certification and continuing education requirements for participants seeking **Continuing Education Units** (CEUs) in accordance with the rules & regulations of the International Accreditors for Continuing Education & Training (IACET). IACET is an international authority that evaluates programs according to strict, research-based criteria and guidelines. The CEU is an internationally accepted uniform unit of measurement in qualified courses of continuing education.

Haward Technology Middle East will award **2.75 CEUs** (Continuing Education Units) or **27.5 PDHs** (Professional Development Hours) for participants who completed the total tuition hours of this program. One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of the participation in and completion of Haward Technology programs. A permanent record of a participant's involvement and awarding of CEU will be maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.

Course Fee

US\$ 2,750 per Delegate + VAT.
