Haward Technology Middle East awards 0.2 CEUs (Continuing Education Units) equivalent to 2 PDHs (Professional Development Hours) for participants who complete the total tuition hours of this program (2 contact hours). One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of participation in and completion of Haward Technology programs. A permanent record of the participant's involvement and awarding of CEUs is maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.
